

Wet avalanches in Island Park

Date

Fri, 04/05/2024 - 15:20

Activity

Snowmobiling

From IG mesasge (4/6): "Some wet action at arange peak near Sawtell yesterday. From slope Dave and I did our first pit on Monday. Lots of release in that new old interface but didn't see anything releasing down deeper."

Region

Island Park

Location (from list)

Arange Peak

Observer Name

Zach Bailey
